WRIGHT TOWNSHIP
LOT SPLIT REGULATIONS
AGRICULTURAL ZONE

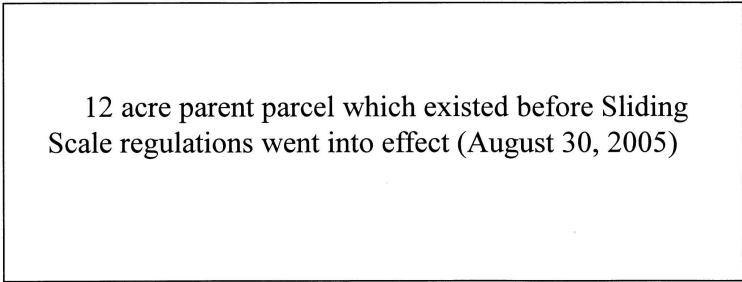

EXAMPLE 6

A new lot with a minimum of one acre and a maximum of two acres could be split from the 12 acres but the remaining parcel would not receive a building permit.

WRIGHT TOWNSHIP
LOT SPLIT REGULATIONS
AGRICULTURAL ZONE

EXAMPLE 7

The existing 12 acre lot would be issued a building permit for one house if permits for a well and septic system were also issued by the Ottawa County Health Department. However, the well and septic system must be on the same lot as the dwelling they serve.
