“It is rather for us to be here dedicated to the great task remaining before us; that from these honored dead we take increased devotion to that cause for which they here gave the last full measure of devotion; that we here highly resolve that these dead *shall not have died in vain*; that the nation shall, under God, have a new birth of freedom; and that government of the people, by the people, for the people, shall not perish from the earth.”

Concluding sentence of Lincoln’s Gettysburg Address

Let Us Never Forget.....

Purpose and Mission Statement of “Pillars of Honor”

1. To ensure the perpetuity of the men and women who contributed toward the preservation of the Union during the **Civil War by making sure they have “Pillars of Honor.”**
2. To bring back the dignity of these individuals by ensuring the pillars (headstones) where they rest are in good condition. Veterans who never had a stone will be honored by receiving one. **Military and historic headstones that are worn, broken beyond repair or vandalized will be replaced free of charge by the Veteran’s Administration upon receipt of proper proof of service.**
3. To document every Civil War Veteran (Union service) buried in township cemeteries throughout West Michigan by **photographing each headstone currently in existence and assessing it’s condition. The Committee strives to ensure the memory of our Union soldiers is never forgotten.**
4. **To educate others on the specific criteria needed to replace headstones provided by the Veteran’s Administration and teach the proper steps to take to ensure efforts are not being duplicated.**
5. **To raise community awareness of it’s Civil War history.**
6. To bring together families who were unaware of their ancestor, their efforts to keep our country United, and/or their place of eternal rest.

Acknowledgement

Special thanks is extended to Linda Way, Township Clerk and Robin Liszewski Deputy Clerk for their expertise in locating the graves of Civil War veterans buried within Wright Township. Without them, the project to ensure the memory of our civil war veterans would not continue. Many of the headstones were completely illegible. Permission to replace those worn tombstones maintains the perpetuity of these heroes of the War of the Rebellion. Transcriptions on the headstones were cross referenced with township records to ensure the accuracy of records. Last but not least, we extend a special thank you to the Marne American Legion Post #376 whose benevolence saw to the payment for time and materials to place the new headstones and Ben Looks sexton of Wright Twp who oversaw the placement. We thank you!

To members of John A. Logan Camp 1 Sons of Union Veterans Civil War who planned the dedication ceremony for the unmarked graves.

Finally, we wish to acknowledge and thank our families for their support during the research and documentation process. Their patience and understanding of our passion is immense; we could not devote so much time to the project without them!

The Faded Coat of Blue

My brave lad he sleeps in his faded coat of blue,
In a lonely grave unknown lies the heart that beat so true;
He sank faint and hungry among the famished brave,
And they laid him sad lonely within his nameless grave.

No more the bugle calls the weary one,
Rest noble spirit, in thy grave unknown!

**I'll find you and know you among the good and true,
When a robe of white is giv'n for the faded coat of blue**

He cried, "Give me water and just a little crumb,
And my mother she will bless you through all the years to come;
Oh! Tell my sweet sister, so gentle, good and true,
That I'll meet her up in heav'n in my faded coat of blue."

He said, "My dear comrades, you cannot take me home,
But you'll mark my grave for mother, she'll find me if she'll come;
I fear she'll not know me, among the good and true,
When I meet her up in heav'n in my faded coat of blue."

Long, long years have vanished, and though he comes no more,
Yet my heart with startling beats with each footfall at my door;
I gaze o'er the hill where he waved a last adieu,
But no gallant lad I see in his faded coat of blue.

No sweet voice was there, breathing soft a mother's prayer,
But there's One who takes the brave and the true in tender care.
No stone marks the sod o'er my lad so brave and true,
In his lonely grave he sleeps in his faded coat of blue.
